

Cooperative Education Program Summer 2012

Co-op Course

All Engineering	ECO 3001: Engineering Co-op Practicum I ECO 3101: Engineering Co-op Practicum II ECO 4001: Engineering Co-op Practicum III
Engineering Technology	TCO 3001: Engineering Tech Co-op Practicum I TCO 3101: Engineering Tech Co-op Practicum II TCO 4001: Engineering Tech Co-op Practicum III
Math/Computer Science	MCS 3001: Math/Computer Science Co-op Practicum I MCS 3101: Math/Computer Science Co-op Practicum II MCS 4001: Math/Computer Science Co-op Practicum III

Each course = 1 credit

University Co-op Contact Information

Jennifer K. Cunningham, Assistant Director of Career Services
(248) 204-3145
jcunningh@ltu.edu or ltuocs@ltu.edu

Professor Lewis Frasc, Associate Dean of Engineering
(248) 204-2573
frasc@ltu.edu

Co-op Advisors

Professor Lewis Frasc (frasc@ltu.edu)
Electrical Engineering, Computer Engineering, Electrical/Computer Engineering

Professor Jerry Cuper (jcuper@ltu.edu)
Engineering Technology

Dr. Edmund Yuen (yuen@ltu.edu)
Civil Engineering, Architecture/Civil Engineering

Dr. David Bindschadler (mcschair@ltu.edu or dbindscha@ltu.edu)
Math/Computer Science, Computer Science

Dr. Vernon Fernandez (vfernande@ltu.edu)
Mechanical Engineering

Course Requirements

It is important to note that your course requirements are based on which co-op practicum you are enrolled in for this work term. Listed below are the course requirements for this semester and deadlines for completion. **Note:** All assignments are submitted from the Career Services website at www.ltu.edu/career_services/coopassignments.asp.

Co-op Practicum I

<u>Assignment</u>	<u>Due Date</u>
1. Work Term Information Form	Sunday, June 3, 2012
2. Work Term Record	Sunday, July 22, 2012
3. Timesheet Verification Sheet	Sunday, July 22, 2012
4. Student Performance Eval. Form	Sunday, July 22, 2012

Co-op Practicum II

<u>Assignment</u>	<u>Due Date</u>
1. Work Term Information Form	Sunday, June 3, 2012
2. Work Term Record	Sunday, July 22, 2012
3. Learning Outcomes	Sunday, July 22, 2012
4. Timesheet Verification Sheet	Sunday, July 22, 2012
5. Student Performance Eval. Form	Sunday, July 22, 2012

Your third co-op practicum will culminate in a technical report and formal presentation. Co-op presentations are conducted in Intro to Engineering classes. If needed, you can make arrangements for your presentations (eg. present at work or a different class).

Co-op Practicum III

<u>Assignment</u>	<u>Due Date</u>
1. Work Term Information Form	Sunday, June 3, 2012
2. Technical Report	Sunday, July 22, 2012
3. Final Presentation	Summer or Fall 2012
4. Timesheet Verification Sheet	Sunday, July 22, 2012
6. Technical Report	Sunday, July 22, 2012

GRADING

Your assigned Co-op Advisor will grade each co-op assignment. Effective oral and written communication will be considered in reviewing assignments. Clarity, goal setting, and connecting your academics with your co-op experience are essential in completing your assignments.

ACADEMIC HONOR CODE

Please be aware that plagiarism is a serious offense. To help avoid this, please refer to the Academic Honor Code at www.ltu.edu/currentstudents/honor_code_offenses.asp.
