

**Microsoft and Autodesk Campus Subscription Enrollment  
Student Users Acceptance Form**

This acceptance form is valid for the Microsoft and Autodesk products listed below, which shall be referred to collectively herein as the “Software”. Software is made available to you because Lawrence Technological University, herein referred to as Lawrence Tech, has purchased temporary licenses for the Software through Microsoft Campus Subscription Enrollment and Autodesk effective July 1, 2009 through June 30, 2010. Lawrence Tech is extending to you the right to use the Software on a personally-owned computer or an institution-owned computer designated for your exclusive use. You do not own the license or the CDs, rather you are authorized to use the Software and associated media pursuant to the terms and conditions of the license(s) granted to Lawrence Tech for the term of Lawrence Tech’s Campus Subscription Enrollment. You will be required to remove Microsoft Software from your personal machine immediately upon the earlier of (a) any event, with the exception of graduation, which causes you no longer to be a student of the institution or (b) expiration of the Campus Subscription Enrollment licensed period. You will be required to remove Autodesk software from your personal machine immediately when you are no longer a student of the institution.

If you graduate during the Campus Agreement Subscription term, the Microsoft Software license will convert to a perpetual license (meaning you own the Software) as verified in your Student License Confirmation, which may be obtained from Lawrence at that time. The Student License Confirmation is proof of Software ownership. Graduation does not grant a perpetual license for Autodesk software.

You are granted the right to use the following Software per the terms of the Campus Agreement Student Option:

- |                                |  |
|--------------------------------|--|

| Windows Server CAL’s           |  |

| SharePoint Designer            |  |
