

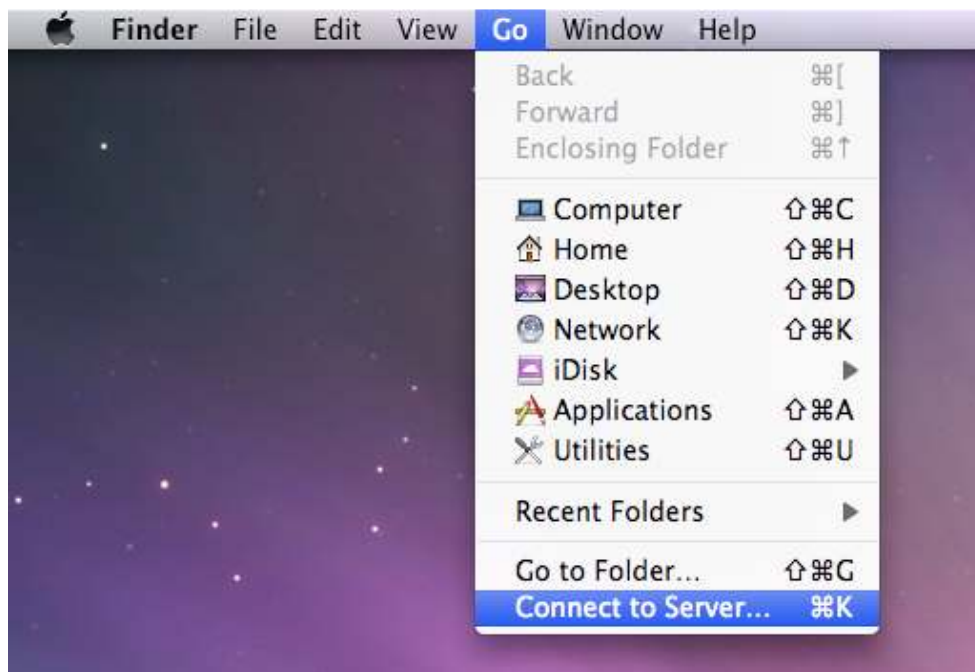

## Mapping Network Shares using MacOSX Leopard

To begin, first click on the **Finder** icon located in the bottom left of your dock (by default).

Next, click “Go” on the program bar at the top and select “Connect to Server...”

This brings up a new window asking for the server.

Students should type following:

**https://students.campus.ltu.edu/[your 9-digit banner no.]**

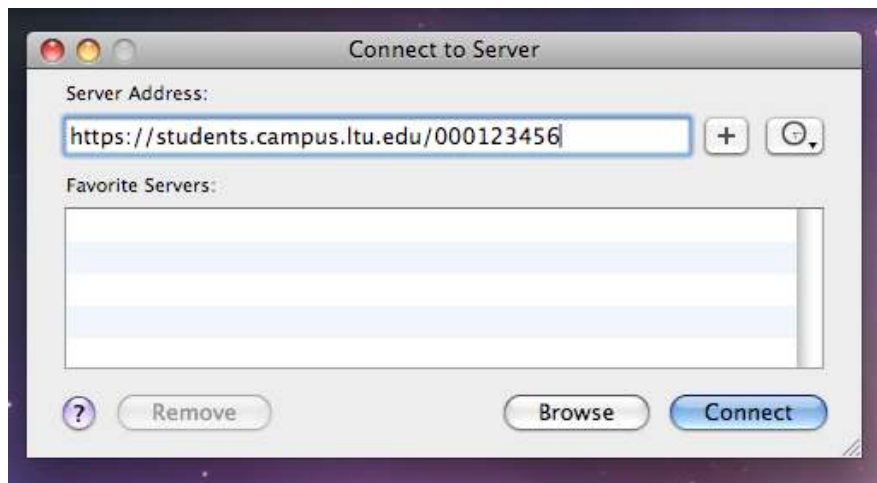

Faculty & staff should type this URL:

**https://facstaff.campus.ltu.edu/[your login ID]**

For Departmental shared drives, use the following URL:

**https://groups.campus.ltu.edu/[name of shared drive]**

Click **“Connect.”**

If asked to verify certificate, simply click **“Continue.”**

At this point, you will be asked for your Name and Password. This is the same username and password used to log in to Windows and connect to printers on campus. Your username will also need to be preceded by **“Campus\”**

When finished, click **“OK.”**
