Remote Access by Telephone

Slide 2 - Remote Access by Telephone

Remote Access by Telephone

- This option allows you to send and receive audio over the telephone
- Backup telephone simulcast
- Use this option if you experience audio difficulties or do not have access to a microphone

Slide 3 - Simulcast Phone and Pin Number

The screenshot shows a Microsoft Internet Explorer window with the address bar displaying 'http://208.185.78.175 - Live Classroom - Microsoft Internet Explorer'. The main content area features a large grey box with the text 'Welcome to Nranian Beta Test Room' and a blue-bordered callout box containing the text 'Please note, the phone number is NOT toll-free!'. A 'Simulcast' dialog box is open, showing 'Phone: 646-367-1174' and 'PIN: 77552875'. Below the dialog is a control bar with a 'TALK' button, a volume icon, a lock icon, and a telephone icon. A callout box points to the telephone icon with the text 'Click Telephone Icon to obtain Simulcast Phone and Pin'. To the right, a 'Presentation' sidebar contains a list of items: '1- Webmail Basics', '2- Webmail Basics', '3- This session will show you how to:', '4- Instructions for using WebMail', '5- Webmail interface is customizable', '6- Settings Page', and '7- Setting Page -'. A callout box points to the telephone icon with the text 'After entering PIN, caller will hear a series of "tones"'. At the bottom, a status bar shows 'To: ALL', a pause icon, and 'Horizon Wimba' branding. A system tray at the very bottom indicates 'Applet com.hw.clients.hms.HorizonMediaApplet started' and 'Internet'.

Slide 4 - Telephone Icon Display

The screenshot shows a Microsoft Internet Explorer window with the address bar displaying "http://208.185.78.175 - Live Classroom - Microsoft Internet Explorer". The main content area features a large grey banner with the text "Welcome to 'Nranian Beta Test Room'". Below this banner is a "Simulcast" box containing the following information:

- Phone: 646-367-1174
- PIN: 77552875

On the right side of the browser, there is a "Presentation" control panel with buttons for "Start" and "Stop", and tabs for "Content", "Users", and "Media". Below these are buttons for "Web", "eBoard", and "Share", along with navigation arrows. A "Default Content Folder" dropdown menu is also present, followed by a list of presentation slides:

- P 1- Webmail Basics
- P 2- Webmail Basics
- P 3- This session will show you how to:
- P 4- Instructions for using WebMail
- P 5- Webmail interface is customizable
- P 6- Settings Page
- P 7- Setting Page -

At the bottom of the browser window, there is a toolbar with a "TALK" button, a volume icon, a microphone icon, a telephone icon, and an "Options" button. Below the toolbar is a chat window with the following text:

Connecting to server...
You have connected successfully!
You have entered 'Nranian Beta Test Room'.
Your media format is...

The chat window also displays a list of participants:

Name	✓	X	Hand	Microphone	Chat
Marquita_Poins	✓	X	Hand	Microphone	Chat
Paula_Nranian	✓	X	Hand	Microphone	Chat

A blue callout box points to the telephone icon next to the "Marquita_Poins" name in the chat window, containing the text: "When successfully connected, a 'Telephone Receiver' icon will appear next to the student's name."

The bottom status bar of the browser shows "Done" on the left and "Internet" on the right.

Slide 5 - Internet Access Unavailable

The screenshot shows a Microsoft Internet Explorer window titled "http://208.185.78.175 - Live Classroom - Microsoft Internet Explorer". The main content area displays a message:

Internet access unavailable?

Contact your Instructor to obtain his/her Simulcast Phone and Pin number.

You will be able to listen to the live presentation and converse with your Instructor and classmates.

A "Simulcast" window is open, displaying:

Simulcast

Phone: 646-367-1174

PIN: 77552289

The interface also features a "Presentation" control panel with "Start" and "Stop" buttons, and a list of content items:

- 1 - Webmail Basics
- 2 - Webmail Basics
- 3 - This session will show you how to:
- 4 - Instructions for using WebMail
- 5 - Webmail interface is customizable
- 6 - Settings Page
- 7 - Setting Page - General

At the bottom, there is a "TALK" button, a status bar showing "Connecting to server... You have connected successfully!", and a list of participants: Marquita_Poins and Paula_Nranian. The "Horizon Wimba" logo is visible in the bottom right corner.
