

## HONORS ELIGIBILITY

Diploma Honors will be granted to the degree recipients on the basis of the student's record for all course work in the degree program at Lawrence Technological University. However, only courses taken at the University qualify for honor point credits.

The GPA of the student's graduating semester will be used to determine honors.

---

## UNDERGRADUATE

**Associate Degrees** - A transfer student must have completed a minimum of 30 semester hours at LTU during their final semester to be eligible for diploma honors.

**Bachelor Degrees** - A transfer student must have completed a minimum of 60 semester hours at LTU during their final semester to be eligible for diploma honors.

**Honors are granted as follows for Undergraduate students:**

3.25-3.49 GPA-Cum Laude

3.50-3.74 GPA-Magna Cum Laude

3.75-4.00 GPA-Summa Cum Laude

**NOTE:** The above is for diploma honors. This means that honors will appear on your diploma and transcript. For commencement ceremony and program purposes, the gpa and credit hours for the Fall semester prior to graduation will be used.

---

## GRADUATE

**Architecture students:** Minimum 3.50 cumulative gpa as of the final semester of the degree program - "With Distinction" will be placed on the diploma and transcript.

**Management students:** Minimum 3.85 cumulative gpa as of the final semester of the degree program - "With Distinction" will be placed on the diploma and transcript.

The College of Engineering and the College of Arts and Sciences currently does not offer graduation honors to their graduate students.

**NOTE:** The above is for diploma honors. This means that honors will appear on your diploma and transcript. For commencement ceremony and program purposes, the gpa and credit hours for the Fall semester prior to graduation will be used.
