**PROFESSIONAL OBJECTIVES**

The U.S. Department of State has outlined the following specific goals for this project:

- Gain an overview of volunteerism in American Society;
- Explore several non-profit and community organizations to understand their fundraising, operation, recruitment and retention mechanisms;
- Understand the strong impact volunteer and community organizations have on the communities they serve;
- Examine the impact technology, particularly social networking has on volunteerism;
- Participate in a workshop that will assist participants in developing new avenues for civic engagement and participation; and
- Allow participants an opportunity to actively volunteer during the program.
