How to Access Wimba Instructions

Student (tutee) Instructions

Academic Achievement Center
Overview

• How to Access Wimba Classroom

• How to Share Documents
  – You should email the tutor your paper or question before you enter the classroom. This will allow the tutor to share the document with you.
How to Access Wimba Classroom

You will receive an email from your tutor with a link similar to the link below.

Guest Access Link:
https://ltu.wimba.com/launcher.cgi?room= ITECHU_S__70_1_565294

Use the link you receive to access Wimba.
How to Access Wimba Classroom

The following will appear in your window

Go to slide 8 if you have used Wimba before. Proceed to the next slide if you have not used Wimba before.
Running Wimba Wizard

Welcome to the Setup Wizard

The Setup Wizard will guide you through a series of tests to ensure that your computer is ready. Depending on the speed of your computer and your Internet connection, the Wizard may take a few minutes to complete.

Your progress through the Setup Wizard will be shown on the left.

To view the system requirements for Wimba Classroom, click here.

Click here to start wizard
Running Wimba Setup Wizard

Follow wizard directions to ensure proper set up.

If you are not automatically sent to the next test page (or prompted to install Java) within two minutes, click Troubleshoot Java.

All of the boxes will be checked when the wizard is done.

Select the finish button after the wizard is done.
