Terms and Conditions:
The undersigned Applicant requests to reside in a Lawrence Technological University (LTU) residence hall and agrees to payment of the housing application and contract deposit in the amount of $200.00. This is refunded to the Applicant at the end of their stay minus any outstanding charges.

This contract is for housing for the summer session, or from the time of arrival through the end of the summer session. If the Applicant would like to terminate the contract, they must do so in writing to the University Housing office. The Applicant forfeits all of the security deposit as a contract cancellation fee. The Applicant must determine their length of stay prior to their arrival. Payment for the entire stay must be made prior to moving into the residence hall.

The Applicant agrees to abide by all University Housing policies as listed in the University Housing Guidelines for Living and the Lawrence Technological University Student Code of Conduct. Violation of any of the policies or any other conduct deemed to be such as to require removal of an Applicant from a residence hall for the best interests of the other residents shall be grounds for termination of the contract by the University.

Receipt of the completed application and deposit by University Housing does not guarantee a specific assignment to a residence hall. Final assignment will be determined by the University Housing Office. The University Housing office reserves the right to reassign and consolidate residents at the University’s discretion. Room space cannot be sublet nor can a contract be transferred, sold, or assigned to another person. The Applicant may not conduct or solicit business in the residence hall, including from within the Applicant’s room without the approval from the Director of Residence Life.

The Applicant is responsible for damages beyond normal wear and tear to the room space, apartment and furnishings. University Housing staff at the end of the Applicant contract will conduct a damage assessment of each apartment and charge all roommates as deemed appropriate.

Lawrence Technological University is not responsible for the personal property of the Applicants. The University is not responsible for loss, damage, or destruction to the personal property of any Applicant. All personal property of the Applicants and any property belonging to a third party that is in the Applicant’s custody is the sole responsibility of the Applicant.
