Lawrence Technological University

Driven by our vision to be the school of first choice for students in the region, LTU is extending its reach to Macomb County!

Through a partnership with Macomb Community College, some of Lawrence Tech’s most successful graduate and undergraduate business programs are now offered on-site at Macomb’s University Center.

Students can choose between the graduate degree program, the Master of Business Administration (MBA) or an undergraduate Bachelor of Science degree completion program majoring in Information Technology or Business Management.

With assistance from the College’s On-Site Coordinator, admission, registration, book purchases, and advising are all convenient and efficient.

LTU’s motto of “Leadership through Theory and Practice” guides our faculty’s commitment to teaching excellence and focus on real world situations.

The College of Management is accredited by the Association of Collegiate Business Schools and Programs (ACBSP) and the International Assembly of Collegiate Business Education (IACBE).

Master of Business Administration (MBA)

The MBA program at Macomb's University Center provides working professionals with the skills, knowledge, and technical tools to manage complex projects and harness the talent and energy of cross-functional teams.

This degree provides a framework for managing organizational innovation in today’s environment of accelerating change.
