Checklist of required elements

Part I Statistical Report √ Included Not Included
Part II Narrative Report √ Included Not Included

Section Two:
Assessment of Narrative Report

NOTE 1: If a deficiency is included in the scope of an FE, the program may not be released from reporting on it in Part II of the Annual Report, except by the FE Team.

NOTE 2: Although an area may be marked “satisfied, no further reporting required,” the next visiting team will still make its own assessment of the program’s response to the deficiency in the next Visiting Team Report.

DEFICIENCIES
Criterion 13.15. Accessibility
The program was advised to provide sample student work in both the 2010 and 2011 annual reports. None has been provided, and the exact text from last year’s report has been repeated in this year’s report. Until the program provides evidence of student work, the NAAB will not release the program from reporting on this deficiency.

Criterion 13.34. Ethics and Professional Judgment
The program was advised to provide sample student work in both the 2010 and 2011 annual reports. Until the program provides evidence of student work, the NAAB will not release the program from reporting on this deficiency.

CAUSES OF CONCERN
Growth of Student Body Beyond Facility Capacity
No new information; text from the 2010 annual report has been repeated in the 2011 report.

History Sequence
A required course in 20th-century architecture has been added to the curriculum, and courses in Current Issues and Design Theory have been updated.

Human Resources
Satisfied; no further reporting required.

Advising
No new information, except the percentage of students who had been “advised on time in meetings with an advisor” decreased from 95% in 2010 to 91% in 2011.

Writing Skills
No new information since 2009.
