The paperwork to be reviewed needs to be submitted to the One Stop no later than 4 p.m. on the Tuesday BEFORE the committee's next meeting. The Guest Credit Committee will send you a letter saying which courses have been approved for you to take at Ulm. This letter is emailed to you, so make sure your email is updated and on file with the University. You must forward the approval letter to the Study Abroad Office so you are able to register for your courses.

___ Dec: If you have questions about or need more aid, contact the Office of Financial Aid, Deborah Westman (dwestman@ltu.edu or 248-204-2179) and let her know you are studying abroad in the fall through the Hochschule Ulm Program (include your banner id number). They will be able to adjust your eligibility only after your Financial Aid package has been finalized. Please note that an increase in eligibility does not always guarantee that you will get additional aid. It only increases your eligibility to receive more aid. Tuition costs will be calculated at LTU tuition rates.

___ Dec: Study Abroad Office will create SAP (Study Abroad Program) courses equivalent to the courses you will take at Ulm. Your Guest Credit must be approved and be accepted by the host institution before your courses will be created. Register for the intended courses in Banner Web Registration Add/Drop area. Once you are registered, in the Registration area of Banner Web go to the "Change
Class Options". All courses are registered at a credit hour value of 1.000 credit hour. If you are taking the course for more than 1.000 credit hour, go to the Change Class Options. **Change the credit hour value from 1.000 to the intended number of credit hours.** Click on the Submit Changes button. If you get an error message for Duplicate Courses, contact LTU Study Abroad office to get an override.

*Engineering students will have their courses created by the College of Engineering. Speak with your department chair about creating these courses once you are accepted.*

Registering for these courses will keep you in the system, and will activate your financial aid. If you don't register for these courses, you will not receive any financial aid while abroad. You will also not be a Lawrence Tech student for that semester, which means the office can't help you if something should go awry while you're abroad.

___ Dec: Make sure you have set up direct deposit at Lawrence Tech in case there is a financial aid refund applied to your account.

___ Dec-Jan: Purchase your own airfare to/from Germany. Contact Hochschule Ulm directly if you have questions. Provide a copy of flight schedule to LTU Study Abroad office.

___ Mid-Jan: Payment of half your balance is due to LTU.

___ Mid-Feb: Other half of your balance is due to LTU.

___ End of Semester- July: Hochschule Ulm transcripts: Upon completion of the program, make sure the Ulm transcripts are sent to the LTU Study Abroad office, so you can receive CR on your SAP courses. The transcripts will then be sent to the Registrar's Office to have it added to your LTU records.
