Bachelor of Science in Physics (125 credits)

- Courses marked with an asterisk are offered every two years and must be taken when offered in order to graduate in a timely fashion.
- ** PHY3653 must be taken in the Fall term of the Junior year in order to provide the proper prerequisite for courses in the Junior spring.
- *** An individual plan of work leading to the degree will be established in consultation with the student’s advisor no later than the Fall of the junior year.
- # Any interdepartment senior project coursework must be approved by a Natural Sciences advisor and department chair.

*Leftmost course is prerequisite ← One course is co-requisite to the other (EEExxx): Equivalent EEE course (Placement): Requires passing score on placement exam
