Windows 7 LTU Network connection instructions

1. Close any open browsers. (Internet Explorer, Firefox, Chrome, etc.),
2. Click on the wireless icon in the lower right of your screen in the Task Bar to open the Available Wireless networks window.
3. A window will open listing available wireless connections. Please click on “LTU Network” to expand the section and then click on Connect.

4. A window may open warning you that, “The connection attempt could not be completed” If this window opens, please click Connect. Otherwise, continue to the next step.

5. If the internet browser does not automatically open in a few minutes, open it. If you see the Welcome to LTU Network page in the browser, enter your LTU Computer login name and password and press Submit.

6. If you do not see the Welcome to LTU Network login page, close your browser and re-open it. Try to navigate to Google by typing google.com in the address bar and hit enter. It may take several attempts.
   a. If you see a page that says “Yes, I will install the Policy Key…”, instead of the Welcome to LTU Network login page, see directions for installing the Policy Key at the bottom of the page.
   b. If you see the Welcome to LTU Network page in the browser, Go back to Step 5.
   c. If you see the Google homepage in the browser, Congratulations! You are connected to the wireless network.

7. Close your browser and re-open your browser. Navigate to Google by typing google.com in the address bar and hit enter.

8. If you see the Google homepage in the browser, Congratulations! You are connected to the wireless network. Happy computing. No other steps are necessary.

Directions for installing the Policy Key

1. Click on Yes, I will install the Policy Key…

2. A message at the bottom of your browser will ask, “Do you want to Run…” Click on Run.

3. A second message may ask, “Do you want to Run…” If it does, click on Run otherwise continue to the next step.
4. A new window will open. Click install to install the Policy Key.
5. A confirmation message for Safe Connect will popup when it is installed. Click OK.
6. Go back to Step 6 in the Windows 7 LTU Network connection instructions.

If you cannot connect to the LTU Network, please visit or contact the Help Desk at 248.204.2330 for further assistance.
