Blackboard Access Policy

1.0 Purpose

The purpose of the Blackboard Access Policy is to ensure the security, confidentiality and appropriate use of the Lawrence Technological University Blackboard system.

2.0 Scope

This policy applies to students, faculty and employees who have access to the Blackboard system.

3.0 Policy Statement

Blackboard is a learning management system that can enhance the teaching and learning process. The following guidelines clarify some specifics about the use and access of the system at Lawrence Technological University.

3.1 Guidelines

- All Lawrence Technological University Computer Policies are applicable to the Blackboard System.
- All users, courses, faculty assignments, and student enrollments are automatically setup and are pulled from Banner, the Lawrence Technological University’s Student Information System.
- To access Blackboard you will be given a username and password. You must keep your username and password confidential. You are responsible for any Blackboard use undertaken using your username and password.
