PROGRESSION FLOWCHART: Masters of Science in Architectural Engineering (To be ABET accredited as a Masters Degree)

Minimum GPA of 3.0 required for entry into Masters status

- Geology
- Soil Mechanics
- Dynamics
- Ethics & Professional Issues
- Engineering Cost Analysis

Indicates a Pre-Requisite Class
Indicates a Co-Requisite Class
1 Placement Exam Required
2 Prerequisite LDR2001
3 Prerequisite High School Trigonometry
4 Honors student may take Chem in Fall Semester, followed by Arch Engg Hist. Non-Honors students may take Arch Engg Hist in Fall Semester then Chem in Spring Semester.

Minimum GPA of 3.0 required for entry into Masters status
